SUBJECT: Class II Permissive Change for FCC ID: 2ADUL-0020

The product, LTE Module, FCC ID: 2ADUL-0020, (Grant date: 08/05/2019). The intension of this application is to enable the modular certified FCC ID: 2ADUL-0020 to be integrated in Greater Goods, LLC Omada LTE-M Scale 0020.

The module installed into host platform mentioned above is electronically and mechanically identical to the original certified module. The original FCC testing on module the antenna was connected to the module in an open environment. The current host platform under application uses antenna with different gain and is installed inside the host platform enclosure. Since the different antenna, we performed below items.

1. Verified conducted power and ERP/EIRP that lower than original, and RSE was retested.
2. Full SAR is calculated to confirm compliance.

Should you have any questions or comments regarding this matter, please have my best attention.
Sincerely yours,
